= These are 9 Batter Whose Done Highest Score in the Word Cup

## I I. How Many Times Highest Score Done by Batter?

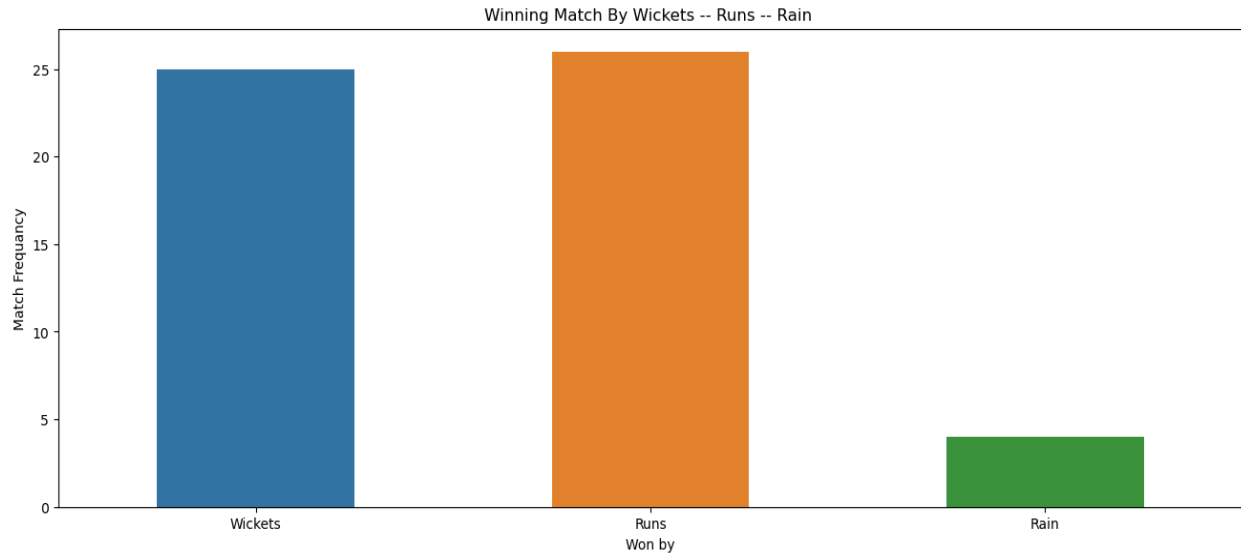

= Top Score by Batter

## I2. How Many Times Win Match by Wickets, Runs & Rain

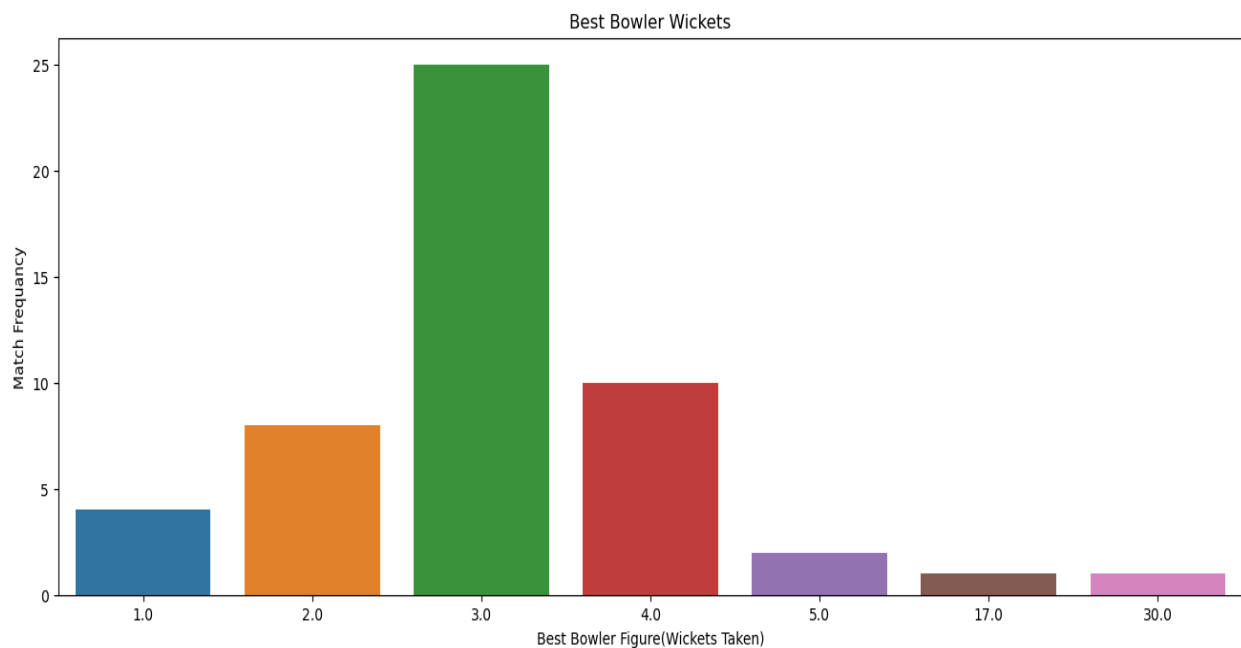

= SO, numbers of more time win the match by runs the Wickets

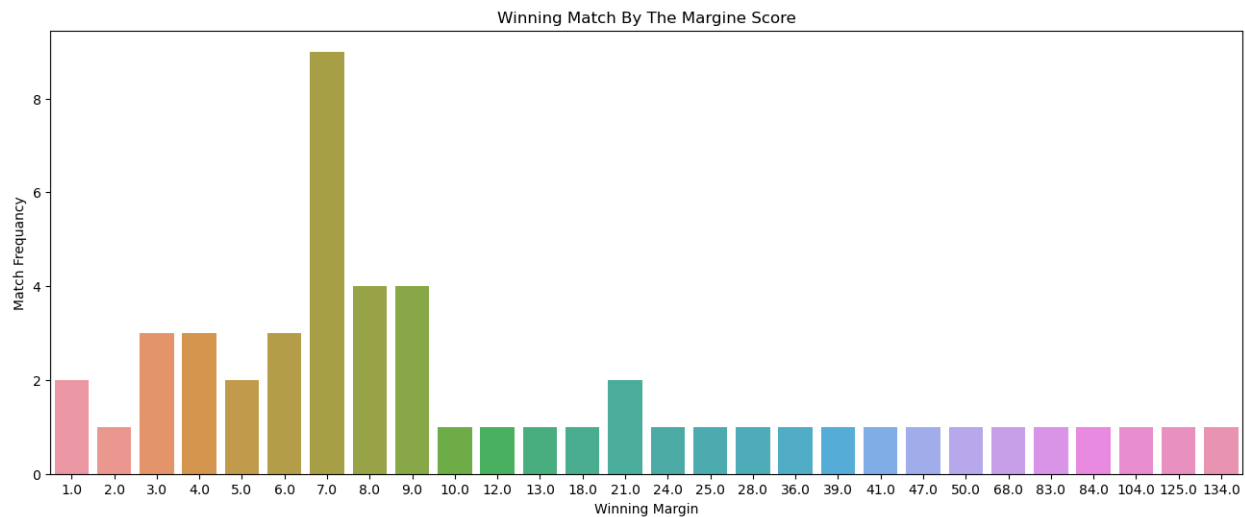

### 13. How Many Numbers of Times Take the Wickets by Bowlers?

= More times Take the 3 Wickets by Bowler numbers of 25 times

## I4. How Many Times Win the Match by the Margin of runs?

= Frequently win the Match By team Runs Of 7,8,9

### Final Conclusion -:

- In the next world cup highly chance to selected fielding first.
- In the next world cup highly chance to selected fielding by this team (England, Australia, New Zealand)
- In the next world cup highly chance to win who's done the score greater then 150 in first inning
- In the next world cup highly chance to win the match by runs [ 7,8,9]

- I would recommend in the next world cup highly chance to best bowler take the wickets under [ 3 to 4] avg number of times 17
- In next world cup highly chance to win match by runs and wickets
- In next world cup highly chance to do score greater then 70, 2 numbers of time
- In next world cup highly chance to fall wickets [7 to 10] in first inning
